WELCOME VISITORS!

We are encouraged by your sharing the Lord's Day worship with us. It is our prayer that the services will be of great benefit to you and that you will want to come again. If you desire to accept Christ as your Savior, thereby obeying the gospel which includes being baptized for the remission of sins, please express that desire by coming to the front during the singing of the invitation song. Living New Testament Christianity today is our desire. Welcome!

The New Budget And Our Giving

When all is said and done, giving is a matter of FAITH, COMMITMENT, and LOVE. Not faith in the economy, or faith in congregational programs, but faith in God! Not commitment to a preacher, or commitment to a particular pet work, but commitment to the cause of Christ! Not love for praise of men, but love for the one who died for us all!

Think about it, when we think of those whom we consider to be great servants of God, whether a man or woman, is not one of the characteristics of such an individual generosity? They give sacrificially. They give when they are not even sure they can afford to give. They are, to use a time-worn cliché, "generous to a fault." They are the life blood of any congregation.

You see, whether single or married, childless or full to the walls, surrounded by luxury or living in humble circumstances, even whether they are presently employed or not, they continue to put the work of the Lord first. It is easy to give when there is a special need and we all feel good when we have made that extra effort for a special cause, but, the great servants of God, are like mom and dad, they sacrifice daily for the stability of the family. Routine bills have to be paid. The financial stability of the congregation, the local family of God, is dependant upon consistent, dependable, and loving contributions from each of the members. That is a very tall order. To give for utility bills, maintenance and the like takes a mentality which rises above the excitement and stirred up dust of a special cause. But there have always been congregations which rise to this task and I believe that we are one.
