WELCOME VISITORS!

We are encouraged by your sharing the Lord's Day worship with us. It is our prayer that the services will be of great benefit to you and that you will want to come again. If you desire to accept Christ as your Savior, thereby obeying the gospel which includes being baptized for the remission of sins, please express that desire by coming to the front during the singing of the invitation song. Living New Testament Christianity today is our desire. Welcome!

BIBLE BEE SUMMER STUDY

Young adults ages 7-18 can still register for this summer's Bible study at BibleBee.org Adults are welcomed to study the same material during June and July. Just order a workbook from **Nerissa Thomas**. Here's a comment from **Diane**

Levitan who participated in last summer's study. *"Last year's adult study of the book of James, in conjunction with our young people's Bible Bee, was very gratifying and spiritually uplifting to me. The self-study format was well organized, creative, and included a very helpful online Bible study resource that I still use today!"*

BIBLE STUDY

Some people veer to the left or to the right to avoid the "labor" of studying the Bible. Though Bible study can become difficult, we should not think of it as a chore. Let us never forget that the Bible is:

1. God's word. 2 Peter 1:21 "For the prophecy came not in old time by the will of man: but holy men of God spake as they were moved by the Holy Ghost."
2. And that it is for us. 2 Timothy 3:16-17 "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: ¹⁷ That the man of God may be perfect, thoroughly furnished unto all good works."

We must take studying the Bible seriously. John 8:32 tells us that the truth will set us free, but if we do not know the truth because of our failure to come to Bible class or even open the book on our own, how will we ever be made free? Let me make three suggestions:

1. Open your Bible.
2. Read it attempting to understand.
3. Do not approach scripture thinking you already know what you want it to say. This shows contempt and disrespect for his word.
