### WELCOME VISITORS!

We are encouraged by your sharing the Lord's Day worship with us. It is our prayer that the services will be of great benefit to you and that you will want to come again. If you desire to accept Christ as your Savior, thereby obeying the gospel which includes being baptized for the remission of sins, please express that desire by coming to the front during the singing of the invitation song. Living New Testament Christianity today is our desire. Welcome!

### PRAYER REQUESTS

**Kaye Jones** remains in ICU at Mountain View. Recovery from the heart surgery is normal but the marshaling of the body's resources to do that activated the bruise on her brain from being knocked down 3 weeks ago. This has caused a slower recovery with walking and standing concerns. The doctors have assured us that the slow recovery is normal under these circumstances and proceeding. Thank you for your prayers and concerns.

**Ta'mar Jones:** Please pray for me. I will be having a medical procedure done on Saturday. Pray that everything goes well and that I have a speedy recovery.
