WELCOME VISITORS!

We are encouraged by your sharing the Lord's Day worship with us. It is our prayer that the services will be of great benefit to you and that you will want to come again. If you desire to accept Christ as your Savior, thereby obeying the gospel which includes being baptized for the remission of sins, please express that desire by coming to the front during the singing of the invitation song. Living New Testament Christianity today is our desire.

Welcome!!!!

When Your Hut's On Fire.

The only survivor of a shipwreck was washed up on a small, uninhabited island. He prayed feverishly for God to rescue him. Every day he scanned the horizon for help, but none seemed forthcoming.

Exhausted, he eventually managed to build a little hut out of driftwood to protect himself from the elements, and to store his few possessions. One day, after scavenging for food, he arrived home to find his little hut in flames, with smoke rolling up to the sky. He felt the worst had happened, and everything was lost. He was stunned with disbelief, grief, and anger. He cried out, 'God! How could you do this to me?'

Early the next day, he was awakened by the sound of a ship approaching the island! It had come to rescue him! 'How did you know I was here?' asked the weary man of his rescuers. 'We saw your smoke signal,' they replied.

The Moral of This Story:

It's easy to get discouraged when things are going bad, but we shouldn't lose heart, because God is at work in our lives, even in the midst of our pain and suffering.

Remember that the next time your little hut seems to be burning to the ground. It just may be a smoke signal that summons the Grace of God.
