WELCOME VISITORS!

We are encouraged by your sharing the Lord's Day worship with us. It is our prayer that the services will be of great benefit to you and that you will want to come again. If you desire to accept Christ as your Savior, thereby obeying the gospel which includes being baptized for the remission of sins, please express that desire by coming to the front during the singing of the invitation song. Living New Testament Christianity today is our desire. Welcome!

UPDATE

Regarding our unexpected visitor last Sunday. The police have contacted his family and determined that he has a mental illness and is not a threat to us or society. His family expressed their appreciation that the incident was handled quietly and the police commended our men for contacting them with his license plate information and photo.

In the future there will always be an adult in the foyer during classes and worship services. In addition, all doors except the front will be locked. The emergency exit doors all have crash bars and will open from the inside in an emergency.
