## WELCOME VISITORS!

We are encouraged by your sharing the Lord's Day worship with us. It is our prayer that the services will be of great benefit to you and that you will want to come again. If you desire to accept Christ as your Savior, thereby obeying the gospel which includes being baptized for the remission of sins, please express that desire by coming to the front during the singing of the invitation song. Living New Testament Christianity today is our desire. Welcome!

## **NATIONAL BIBLE BEE**

This summer members of the Bright Angel Church of Christ have been studying and memorizing the Epistle of James in preparation for the National Bible Bee in August. You are invited to stay after services on Sunday evening, August 5, for a program presented by the participants in this program. Participants will be demonstrating their mastery of the material which they have been learning. Your attendance will be a great encouragement.

## **BIBLE STUDY**

Some people veer to the left or to the right to avoid the "labor" of studying the Bible. Though Bible study can become difficult, we should not think of it as a chore. Let us never forget that the Bible is:

1. **God's Word:** 2 Pet 1:21 "For the prophecy came not in old time by the will of man: but holy men of God spake as they were moved by the Holy Ghost."

2. **It Is For Us:** 2 Tim 3:16-17 "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: 17 that the man of God may be perfect, thoroughly furnished unto all good works."

We must take studying the Bible seriously. John 8:32 tells us that the truth will set us free, but if we do not know the truth because of our failure to come to Bible class or even open the book on our own, how will we ever be made free? Let me make three suggestions:

1. Open your Bible.
2. Read it attempting to understand.
3. Do not approach scripture thinking you already know what you want it to say. This shows contempt and disrespect for his word.
